

Maëlle MOHR

Seeking an internship in IT development

1 April 2026 - 31 July 2026

+33 06 28 52 05 68

20 years old (November 25, 2005)

maelle.mohr@epitech.eu

Driver's License - Own vehicle

Languages

French

Native language

English

Tepitech : 880/990 (TOEIC equivalent)

Education

Epitech

2023 - 2028 | Nancy, France

- Programming fundamentals
- Autonomy and adaptability
- Project-based learning, individual and team projects

Projects

AI Game Development

Gomoku AI player using algorithmic strategies and decision-making logic

Neural Network

Chess position analysis system (MY_TORCH project)

ECS Game Architecture

R-Type game with Entity-Component-System design pattern

Kanban Application

Full-stack project management tool with database integration (Atomic project)

Hobbies

- Music
- Healthy cooking
- Plants

Professional Experience

bce Data & AI Intern

July 2025 - August 2025 | Luxembourg, Luxembourg

- Developed Python plugins for NetBox
- Data visualization and analysis
- CSV and Excel file imports
- Automated monthly scans with detailed reporting
